

A Distant Land To Roam

Guitar capo 2
Concert key = D

C
I remember very well
G C
On one dark and dreary day
C
Just as I was leaving home
G C
For a distant land to roam

C F C
Mother said (mother said) my dear boy (my dear boy)
C G
I hope to see you next year again
Am F C
Fare you well (fare you well), fare you well (fare you well)
C G C
So, I left my dear old home for a distant land to roam

So I wandered far away
From my home I've gone astray
But I'll soon be coming home
Never more from thee to roam

Mother said (mother said) my dear boy (my dear boy)
I hope to see you next year again
Fare you well (fare you well), fare you well (fare you well)

So, I left my dear old home for a distant land to roam

And all these words she said to me
As she took me by the hand
If on earth we meet no more
We meet at God's right hand

Mother said (mother said) my dear boy (my dear boy)
I hope to see you next year again
Fare you well (fare you well), fare you well (fare you well)
So, I left my dear old home for a distant land to roam
